Helen Terhaar Lange, being first duly sworn upon oath, deposes and says:

That this affidavit is made to correct the record of birth of Charlotte Philomena Lange (now Mrs. Wallace Jessup), whose birth record, being State File No. 78004, is erroneous in that the subject's given names are in error and the date of her birth is also in error.

Affiant is the natural mother of the said Charlotte Philomena Lange, and has just been advised that the official record of her daughters birth is in error in the respects above indicated.

That the true facts with reference to said daughter and with reference to the errors above mentioned, are as follows:

That Charlotte Philomena Lange, a female child, was born to this affiant and her husband, George Lange, at Cottonwood, Idaho, on February 25, 1920.

That the said Charlotte Philomena Lange was baptised in the Church of Our Lady Help of Christians Church at Cottonwood, Idaho, according to the Rite of the Roman Catholic Church on the 26th day of February, 1920, and such fact recorded in the Baptismal Register of said church, as indicated by a Certificate of the Holy Sacrament of Baptism issued by the present Pastor of said church, a Photo Copy of which certificate is attached hereto and, by reference, made a part of this affidavit.

WHEREFORE, petitioner prays that the record of birth of said child, whose name was registered in State File No. 78004 as Minnie Charlotte Lang, and whose date of birth is recorded as March 7, 1920, be amended and corrected so as to represent true facts concerning said child's name and birth

Notarized copy of Baptismal record gives name as Charlotte Philomena Lange born Feb 25, 1920 at Cottonwood, Idaho to George Lange and Helen Terhaar. Baptized Feb 26, 1920, in the Church of Our Lady Help of Christians Church of Cottonwood, Idaho by Rev. P. Willibrand. Copy issued 4-20-63. viewed by V.S.

Enclosed please find fifty cents for which kindly send a certified copy of the birth of Toegs Hikida - born 3-22-20 to mother, ^{mother} Maki Hayashi, father, Toshishi Hikida & 1 Makie Hayashi, to Toegs Hikida Rybung. R. 2, D # 1.

Dear
We have your request for a copy of the birth certificate of _____ . We have searched our files and are unable to find a record of this birth.

Section 4, Chapter 139, 1937 Idaho Session Laws, provides for delayed registration of births. For your convenience in filing a certificate for the above person at this time, we are enclosing the necessary form.

If the attendant is still living, he or she must sign the certificate.

If the attendant is deceased or cannot be located, the affidavit must be executed in detail.

There is no filing fee. However, if copies of the certificate are desired, the law requires an advance payment of fifty cents for each certified copy. There is no legal provision for "uncertified copies".

We prefer payment be made by MONEY ORDER made payable to the Bureau of Vital Statistics, Boise, Idaho, or by coin.

Very truly yours

INSTRUCTIONS

1. **Two different affiants must execute these affidavits.** The person signing the principal affidavit in the upper part of the blank can not also sign the supporting affidavit below. Both signatures must be acknowledged before a Notary Public or other person authorized to administer oaths.
2. After a certificate of birth, death or marriage has been accepted for registration, necessary corrections may be made only by executing and filing these affidavits. This form, issued by the California Department of Public Health, Vital Statistics, is prescribed by law and is the only form acceptable.
3. **Read the printed matter carefully.** Fill out the blank (except signatures) with typewriter if possible. Otherwise write plainly with black ink.
4. No change can be made in a certificate unless it is clearly stated in the affidavit. Be careful to state all changes desired. For example, if on a death certificate the **age** is changed, the date of birth must also be changed to agree. Do not make changes that will leave inconsistencies in the certificate.
5. If the original certificate to be corrected is in the hands of the Local Registrar, these affidavits should be filed with him. If the original certificate has been forwarded to the California Department of Public Health, these affidavits should be mailed to the California Department of Public Health, Sacramento. Original certificates are forwarded to the state office by Local Registrars on the fifth of each month.
